Application Packet

Dear Applicant,

Thank you for your inquiry into the Summer Intensive Program of the Gestalt Institute of the Rockies, the oldest and most respected Gestalt training program in the region. We have designed an intense and exciting program that incorporates theoretical, practical and experiential learning. The format of this four-day intensive workshop was deliberately scheduled to meet the needs of the working professional or student. We feel this enables our students to continue their “lives” while participating in an intensive, cohesive learning community.

Enclosed is the application form and deposit payment information. The next step is for you to return your completed application and deposit via mail or fax.

If you have any questions, please call. We are looking forward to meeting you and joining you in this learning experience.

Sincerely,
Duey Freeman, MA, LPC
Director
